

# EASYceiling Plus

## Acoustic ceiling element

EASYceiling Plus acoustic ceiling elements are high-quality acoustic ceiling elements with high absorption values. The acoustic ceiling elements consist of a frame containing an acoustic panel. The ceiling elements are available in various colours and sizes and can be fitted with lighting.

### Advantages

- ✓ Frame in different colours
- ✓ Fire-safe
- ✓ 100% recyclable

### Toepassingen

- Offices
- Restaurants
- Classrooms

### Applications

The acoustic ceiling elements consist of an aluminium frame containing an acoustic panel.

### Dimensions

EASYceiling Plus is available in standard panel sizes of 120 x 60 cm, 120 x 120 cm, 180 x 60 cm and 240 x 60 cm. The acoustic panel has a thickness of 20 mm and is placed in an aluminium frame. The total thickness of the ceiling element is 33 mm.

Minimum order 4 pieces.

### Customisation

With EASYceiling Plus, customisation is possible within the dimensions 120 x 120 and 240 x 60 cm.

### Frame

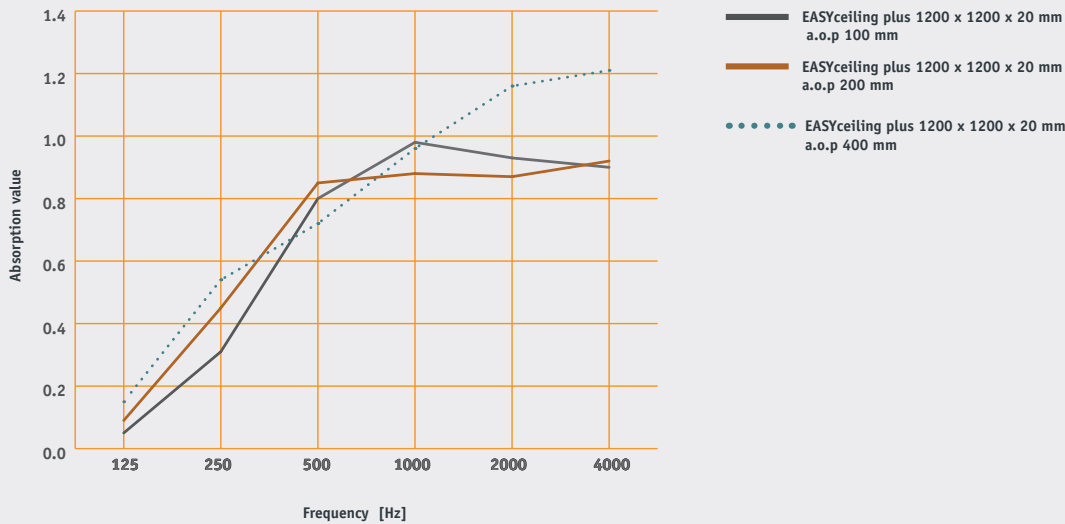

Aluminium, white (RAL 9010) or black (RAL 9005)

### Colour

The absorption values are measured according to EN 354:2003

### EASYceiling Plus per m2 element

### Lighting

For our ceiling elements, we use LED spotlights with a fitting, in which the lamp can be replaced. The spotlights are available in the colours white, aluminium and black. The lamps are available in white (2700K) and aluminium (2700K and 4000K).

The spotlights have a diameter of 82 mm and are tiltable.

### Installation

EASYceiling Plus is always supplied complete with rigid hangers of 8, 15 or 25 cm. At an extra charge, rigid hangers of 35 and 50 cm or adjustable cable hangers (max. 150 cm) are also available. The more space there is between the ceiling element and the ceiling (cavity), the better the effect.

### Environmentally friendly

The ceiling elements are 100% recyclable.

### Fire safety

The ceiling elements are composed of material that is classified according to the applicable standards (EN 13501-1) as fireproof with European fire class A1.

### #weareacoustics

EASY Noise Control is the specialist in acoustics and sound insulation. We are market leader in solutions at the field of room acoustics for buildings. In addition, we supply a wide range of acoustic materials directly from stock.
