

EASYmass Noise-insulating floor mat

Noise insulating floor mat with leatherette coating

The EASYmass sound insulating floor mat combines mass and flexibility, which makes it the perfect fit for cars and cabins. The EASYmass floor mat makes it easy to reduce driving noises and has a leatherette finished coating. This product provides excellent sound insulating values and is easily cut to measures.

Profits

- ✓ Combines mass with flexibility
- ✓ Provided with layer of artificial leather
- ✓ Suitable for vehicles and cabins

Applications

Due to the flexibility of the product it can easily be applied on uneven or curved surfaces. Examples:

- Sound insulation in boats, cars and cabins
- Sound insulation on wheelhouses

Dimension

The floor mat has a dimension of 200 x 140 cm.

Custom made

This product can be custom made, including different measurements and thicknesses as well other forms of processing.

Color

Anthracite

Processing

The EASYmass sound insulating floor mat can easily be made to measures with a cutter and can be glued if necessary.
