

EASYwhisper

Sustainable acoustic product for outdoors

EASYwhisper is a sustainable, recyclable product which is made from polyethylene. It has an open structure and low density. This innovative product offers a good alternative to classic acoustic materials. Due to the low absorption of water, EASYwhisper is a perfect fit for humid rooms or outdoor applications.

Profits

- ✓ Suitable for outdoor applications
- ✓ Low density, open structure
- ✓ Recycled product

Applications

EASYwhisper is made for outdoor applications. Thanks to its low absorption of water, it can be used for outside walls or fences to absorb sound in the direct environment.

Color

Black

Dimensions

EASYwhisper is available in two sizes with three different thicknesses.

120 x 60 x 2,5 cm, 120 x 120 x 2,5 cm,
120 x 60 x 4 cm, 120 x 120 x 4 cm
120 x 60 x 5 cm, 120 x 120 x 5 cm

Thickness

25, 40 and 50 mm.

Custom made

EASYwhisper is available in different sizes, thicknesses, or can be processed differently (cutouts,...) if requested.

Processing

This product can easily be shaped and does not need to be finished. EASYwhisper can be mounted with screws (and rings) or glue.

The absorption values are measured according to EN 354:2003

EASYwhisper
per plate

UV resistance

EASYwhisper with a thickness of 5 cm is, besides the normal version, also available with UV-resistance for outdoor applications. After 2000 hours of maximum UV exposure in a climate chamber, the material is in the same condition as new.

Firesafety and temperature

EASYwhisper is temperature resistant from -40° to 100° and firesafe regarding:

- FMVSS 302
- UL94-HF1
- DIN 4102 B1

EASYwhisper without UV-resistance: EN 13501 class B
EASYwhisper with UV-resistance (suitable for outdoor applications) : DIN 4102 class B2

EASYwhisper with and without UV-resistance only differ in fire class and otherwise look similar.

#weareacoustics

EASY Noise Control is the specialist in acoustics and sound insulation. We are market leader in solutions at the field of room acoustics for buildings. In addition, we supply a wide range of acoustic materials directly from stock.
